## Course Selection Process for 2012-2013 School Year

January 27, 2012

In the next day or two you should receive a mailing from school with information needed for students to choose their courses for next year. Please read the materials carefully as there is lots of important information. Some particular items to note:

- Completed forms must be returned to school on Wednesday, February 1, 2012
- Forms must be signed by both the parent and student
- Help your child choose carefully, as the ability to change selections will be very limited (see policy on the back of the letter from Student Support Services)
- Students (and parents) should contact teachers for specific recommendations
- The mailing includes several documents:
  - A letter from Student Support Services – read it carefully – front and back
  - An academic chart
  - A list of course offerings
  - A four year course selection plan
  - A selection form on which they will request their classes for next year. This form must be signed by both the student and the parent.
- These documents can also be found online – however – please return the copy of the form that is included in your mailing as it is color coded by grade level to assist the student support office.
