

## SHS Post Prom Parent Committee Forming

Dear Junior Parents,

Please consider being part of the post prom parent committee. This group of "party planning parents" will work together to ensure that SHS prom is a memorable, fun and safe event for our teens. If you are interested, contact SHS staff prom advisor, Marie Schneider at [mschneider@shorewood.k12.wi.us](mailto:mschneider@shorewood.k12.wi.us) and let her know if you would like to be a chairperson or a committee member. Need more information before you sign up - read on.....

### SHS Prom - April 26

Believe it or not, during this bitter cold time of year, it's time to turn our thoughts to spring and to prom, which will be held on April 26. SHS prom is open to Junior and Senior students and their guests. Traditionally, the junior class plans prom, and ticket sales cover the cost of prom. But..... that's not where the evening ends.

### Junior Class parents then plan the rest of the evening, known as post prom.

As you may recall, post prom is held immediately after prom, at the same location as prom. In fact, it looks and feels a lot like prom. The main difference between prom and post prom is that parents take over most of the responsibilities and planning for food, chaperoning and entertainment. By extending the evening, we help to keep our teens in a safe, FUN, chaperoned environment.

### WE NEED BOTH COMMITTEE MEMBERS AND A CHAIRPERSON (or 2 or 3)

If you are interested in being on the committee or leading the committee, please **contact SHS staff prom advisor, Marie Schneider at the email listed below.**

When you contact Marie, **let her know if you are interested in a committee member role or a chairperson role.** Please, don't be shy about being a chairperson – it's not a huge job, but it is an important one. You will not be working alone, in addition to Marie and your eager committee members, you'll also have the guidance of Becky Dennis, last year's post prom chairperson.

**This is the planning committee – so if you like planning a party – here's your opportunity to do so!** Please note, that being on the committee does not obligate you to be at the event itself (although you will have first dibs).

*The prom committee of students has already begun working and we need the parent group to get started soon too. Don't let our students down – they don't want their special evening to end too soon.*

**If you are interested in working on this fun event to create a memorable and safe evening for a great group of teens,  
please contact SHS staff prom advisor,  
Marie Schneider at [mschneider@shorewood.k12.wi.us](mailto:mschneider@shorewood.k12.wi.us)**
