SHS PARENT ASSOCIATION

College Planning Information

October 1, 2012

The SHS Parent Association has updated our [Guide to the College Search and Application Process](#). This document is prepared by SHS Parents, for SHS parents (and students too!). We don't claim to be experts, but we've pooled information from various sources, added in our own words of wisdom, and created this document. If you need official advice or guidance, please do additional research and/or contact a college admissions advisor or Student Support Services. But we hope you will find this to be a useful starting point.

Last month almost 100 parents and their children attended the "College Search and Application Process" Parent Forum. We are sharing handouts provided by SHS Student Support Services and the presenter, Jane Frederick on the Parent Association Website. To view them go to www.shsparentassn.com and click on the "College Planning" Tab.

Documents that are currently available in the College Planning section of the [Parent Association Website](#) include

- Parent Association Guide to College Search and Application Process
- Family Connection Overview
- Senior Year Timeline
- Setting Up and Using Family Connection – power point slides
- Using Family Connection to have Application Materials sent by SHS to Colleges – Step by Step Guide
- Parent Forum Presentation Outline
