Grand March Tickets

Grand March Tickets are available to parents (and others) for \$5 each. If do not get yours at school this week, there will be tickets available at the door – but you must have exact change.

FAQ – Why am I being asked to donate to post prom, when my child has already paid for tickets?

The ticket price to prom covers entertainment and food that is provided during prom, which ends at 11:30. We all know that teens do not want their prom experience to end that quickly, so post prom is hosted by parents. Post prom is held in the same location as prom and continues until 2:00 am. Prom tickets are already costly for teens, hence we ask local businesses and parents to cover the cost of post prom. See above for how to donate.

Important Letter from SHS

Parents whose students have purchased tickets, or are attending prom as the guest of another student, should have received a letter in the mail from SHS about behavior expectations and other rules and information about prom. Please read it carefully. This should be a fabulous and safe evening for our kids!

Photographs

In addition to the photos that will be taken prior to prom, parents are welcome to bring their cameras to the Grand March. There will also be a professional photographer taking photos during the March. You may view them online after prom at www.lifetouchevents.com. The password will be
