A Note from the Editor – Volunteer Opportunity

We are looking for someone to work on data entry for next year's student directory. This is the perfect volunteer job for someone who is both a good typist and is comfortable working with an excel spreadsheet. You won't be inputting data for each and every student, but for those who need changes made to the preliminary data.

The first phase of data entry will need to be done shortly after registration (when we collect the bulk of the changes to be made). The specific timing is flexible, but somewhere between Aug 10 and 20 is ideal. Then there will be a smaller set of changes after we collect data from late registrants later in August and a very small set after school begins.

So if you've always wanted that "stay at home – work in your jammies – on your own time" – kind of volunteer opportunity – please consider this one. (I did this job last year, and I don't recall how much time I spent on it, but it was probably a few hours a day for a couple of days.) If you are interested please contact Mary Gorman at mrobrecht@sbcglobal.net.

District & Community Announcements

Support Shorewood 4th of July Festivities – Culvers Night – June 3

Help make this year's 4th of July parade the biggest and best in the North Shore! Please join SIS students at Culvers from 4:00 to 9:00 pm on June 3 as they volunteer to greet guests, provide musical entertainment, and deliver food to tables and cars. 10% of all proceeds (walk in or drive through) will be donated to Shorewood's 4th of July parade. [Read more here.](#)

Mr. Stranke to Leave SIS and Shorewood School District

Anthony Stranke will be leaving the Shorewood Schools at the end of this year. We know that many of you and your children had positive experiences with Mr. Stranke during his tenure here. He will certainly be missed. If you'd like to send him a farewell note, please send it to him at SIS. Read more about his future plans on [Shorewood Patch](#).

Notice of Alumni Fraud

Attention all Shorewood High School alumni: It has come to our attention recently that many of you are likely being asked for money by an organization posing as the Shorewood High School Alumni Association. We would like to address this issue immediately. Do not confuse "alumniclass.com" with the nonprofit volunteer Shorewood High School Alumni Association located in Shorewood, Wisconsin. Do not "support" their "Alumni site." It is not a donation to the Shorewood effort. It is a for profit company that goes after every school in the country, copies their logos, and charges individuals membership fees- tricking thousands of people out of funds that would otherwise go to support public schools.

[If you are interested in donating to, or joining, the actual Shorewood Alumni Association, please visit the group's website.](#)

SHS Students Make a Difference

Over their week of Spring Break from cold Wisconsin, Anton and Aleksei Sorensen volunteered at Prince William Forest Park, a unit of the National Park Service in Triangle Virginia. They spent the week scrapping off old shingles, fixing screen on windows, and carpentry work in the park's historic cabins, built by the Civilian Conservation Corps in 1936. They work side by side with Rangers assisting them with the tough task of maintaining these structures for the public to use this summer. Park staff gave many praises to their hard work and stewardship in the National Parks.

Do you know students, staff, school clubs, etc. who deserve recognition?

Please let us know if you know of an SHS student or staff member or school group who deserves recognition – whether your own child, a friend, neighbor, teacher, coach, mentor, co-worker, etc. We are thrilled to use this space to share student and staff achievements, but we can only do so when someone tells us about them! Send your submissions to news.shsparentasn@gmail.com.

Teacher Letters of Recommendation for College

PARENTS OF JUNIORS, you should have received an email from Mandy Kluck, Student Support Services Chairperson, regarding teacher letters of recommendation for college. Some things to note:

- Juniors received information regarding college letters of recommendation during homeroom last week.
- Priority will be given to those students who make their requests between May 15 and June 1.

- Students must complete certain Family Connections Forms prior to requesting letters. (editor's note – parents – these are good documents for you to review before they are submitted, as students sometimes forget about an activity or two.) Teachers and counselors will use these documents when writing recommendations.
- View the Student Support Services' [College Planning and Readiness Page](#) for Links to various documents
- You may [view a video about the recommendation request process at SHS](#) here.
- [View the handout that was given to students](#)
- [View the content of the email that was sent.](#)
- Reviewing the Common Application Recommendation Form may help you and your child decide which teacher they should approach for a letter. [Last year's form is available here.](#)
- If you have trouble accessing Family Connections, contact the Student Support Offices
- If you did NOT receive the email regarding this, and you are the parent of a junior, contact Student Support Services to have your email address added to their database.
- (The email was actually signed by Jennifer Runde, but if you are looking at your inbox, the "from" address is Mandy Kluck.)
