Note from the Editor

I've been a little stumped as to what to say in this final note of the school year. Something about time flying by really fast. Something about how I used to roll my eyes at my own mother when she said that. Something wise or witty or mildly interesting about teens and parenting..... But nothing profound is coming to me. So I looked back at last year's final note – and realized I had the same problem then. So I think I'll just give up on being wise or witty or interesting, and share some final random notes of the year – partially (mostly) copied from last year's random notes.

- Many of you have thanked me for putting this together. My standard response is “If I didn't enjoy doing this, you wouldn't be getting it”. Honestly, I really like doing it – it is a lot of work, I probably spend more time than I need to on it, but that is because I like doing it. So thanks for reading it – knowing that someone is paying attention, makes it even more fun.
- I had not intended to use this bulletin as my own personal soapbox, but it turns out that I enjoy writing these “notes” and appreciate that you put up with them.
- I usually send a few bulletins over the summer – to keep you apprised of registration and other beginning of year activities. So don't think this is the last you'll hear from me for a while!
- Have a safe and happy summer everyone – and a final “soapbox” moment of the year – while the kids are old enough to be independent, keep enough track of them, that they know someone's paying attention. They'll complain and whine, but subconsciously they'd rather be cared about than ignored. And they'll be safer if they know they are cared about, and that someone is paying attention to their activities and movements, even during the lazy days of summer.
- Congratulations and Best Wishes to ALL the graduating seniors. Job well done! Parents of Graduating seniors – enjoy the moment – job well done to you too. And for those of you who have been asking about what specific seniors' plans are for next year [the Ripples Map](#) is available, as of today! Take a peek to see where seniors are attending college, or what other plans they may have!

Students May Register to Vote during Lunch at Village Hall

Parents, if your child is 18 please make sure they have registered to vote prior to the June 5th election. Graduation Information

Please refer to the [letter that was mailed home regarding most graduation logistics](#).

Additional Information about tickets and seating that was not included in the letter:

- Each student will receive 5 tickets for the graduation ceremony. If additional tickets are needed, students will need to see Ms. Croix, graduation coordinator, after graduation rehearsal on Thursday, May 7. Additional tickets will not be given out before then. Please note, additional tickets are limited and will be distributed as equitably as possible.
- If you will not be using all of your 5 graduation tickets, please give them to someone who will, or return them to Ms. Croix so that she may give them to someone who is looking for them. (We don’t want empty seats in the house when people who wanted to attend could not obtain a ticket.)

Culver's Night for Shorewood's 4th Of July – June 4

Shorewood's 4th of July parade has the potential to be the biggest and best in the North Shore area this year, but we need the help of the community in order for that to happen. We need to raise \$5000 to bring in two (yes, two!) 150 member, world class drum and bugle corps--the Madison Scouts (Wisconsin) and the Spirit of Atlanta (Georgia). Google them and watch them on YouTube...they are quite impressive!

Join Shorewood Intermediate School students at Culver's from 4:30 p.m. to 8:30 p.m. as they volunteer their time to greet guests, provide musical entertainment, and deliver food to tables and cars. 10% of all proceeds (walk-in or drive-thru) will be donated to Shorewood's 4th of July parade. Please help the students in their efforts to bring these two amazing drum and bugle corps to Shorewood!
