## Volunteer Opportunities

### **A Note from Joanne, Debbie and Lindy, the 2012-2013 Parent Association Co-Presidents:**

We hope that many of you will consider supporting SHS by volunteering to help with one of the items below. We have a great group of volunteers who have already stepped up to coordinate most of the activities, but they will be looking for committee members to round out their teams. Volunteering is fun and although knowing that you are doing something for students/parents/staff is rewarding in itself – we know that what many volunteers like most is the opportunity to visit with and work with friends and fellow parents – now that the “playground days” are over, volunteering together is a great way to stay in touch with old friends and to make new ones. Read on for some of the FUN volunteer opportunities this year and thanks for your help!

### • **Faculty Lounge “Design on a Dime” – COMMITTEE MEMBERS NEEDED**

The SHS faculty lounge is in desperate need of a makeover. This effort will ideally be done during this summer so it is ready when our wonderful teachers return in August. This job requires creativity, enthusiasm, some elbow grease and a few friends to help and we must do this on a shoestring budget. If this is up your alley, please contact Lindy Florsheim at [LFlorsheim@weycogroup.com](mailto:LFlorsheim@weycogroup.com).

### • **Beautification Committee – COORDINATOR & COMMITTEE MEMBERS NEEDED**

Many parents have expressed an interest in helping with the “beautification” of the school grounds. We are seeking a parent or two to lead and any number of volunteers to assist. The goal is to keep our garden beds around the buildings and parking lot weed-free. Please contact Joanne Lipo Zovic at [jmlz@wi.rr.com](mailto:jmlz@wi.rr.com) or 962-7388 if you are interested in coordinating or assisting.

### • **Directory Sales**

This is the Parent Association's only fundraiser of the year. Mary Gorman will be coordinating the effort, but she will need volunteers to pre-sell directories during registration on August 9 and 10 for distribution of the directories during Open House on September 20. Look for details later in the summer as to how to volunteer for these fun opportunities. Thank you Mary, for heading this up!

- **Staff Welcome Breakfast**

As our students are enjoying the last few days of summer, the SHS staff will be hard at work preparing for another great year for our teens. Traditionally, the parent association welcomes them back with a breakfast during one of the teacher work days prior to the start of school. Anne Clough and Chris Stello will once again be coordinating this effort, but they will need volunteer bakers, cooks, servers, cleaner-uppers. Look for details later in the summer as to how to volunteer for these fun opportunities. Thank you Anne and Chris, for heading this up!

- **Club Fair**

At the conclusion of the auditorium portion of Freshman and New Student Orientation in mid-August, student clubs and activity groups hold a "club fair" in the arena. This allows new students and their parents to learn about the wide variety of extra curricular activities at SHS. We need one or two people to coordinate this effort. The school provides much support for this and Pam Miller has again offered to serve as the parent volunteer to assist the administration. Thanks Pam! If you'd like to be a Club Fair Coordinator in Training for next year, please contact Pam, she'll be happy to have an assistant.

- **Teacher Conference Dinners**

On the first day of conferences, the staff teaches in the morning and after a short lunch break, meets with parents until 8 PM. Traditionally, the Parent Association provides a hot meal for the staff during their 30 minute dinner break. Connie Eastman and Lindy Florsheim will again be heading up this effort, but they will be looking for cooks, bakers, setter uppers and cleaner uppers. The dates this year are October 11 and March 1. Look for details in the fall and winter as to how to volunteer for these fun opportunities. Thank you Connie for joining Lindy again in this effort!

- **Staff Appreciation Week**

This isn't until May of 2013. Julie Bussen and Beth Tsuchiyama are teaming up to coordinate this and will need many hands to assist them. The jobs can be big or small - some years we've had a luncheon for the teachers on one of the days, more recently we've provided treats each day of the week – breakfast one day, ice cream sundaes another, etc. Keep this in the back of your mind and consider helping Julie and Beth make this a wonderful week for our fabulous staff! Thank you Julie and Beth for coordinating!

- **Parent Forum**

Though we have capable volunteers who are serving again this year (Thanks Kim Apfelbach and Sue Kelley!), please let us know if you are also interested in helping with the Parent Forums for the upcoming school year. Please contact Joanne Lipo Zovic at [jmlz@wi.rr.com](mailto:jmlz@wi.rr.com) or 962-7388.
